SEAGLE MUSIC COLONY TO PERFORM IN NEW SCHROON LAKE SCHOOL AUDITORIUM

SCHROON LAKE, NY. Seagle Music Colony is happy to announce performances in the newly refurbished Schroon Lake Central School auditorium. Although SMC has a tradition of performing at the Schroon Lake school over its 96 year history, the most recent performances there were many decades ago. Following the major renovation of the school and auditorium over the past three years, Seagle Music Colony is excited to renew this tradition. Tony Kostecki, General Director of Seagle Music Colony says, "it's so exciting to have yet another quality performance venue here in Schroon Lake in addition to our primary performance space, the Oscar Seagle Memorial Theatre, and the Schroon Lake Boathouse. The residents of Schroon made such a bold step in funding the renovation of the auditorium and we're so lucky to be able to access this wonderful venue. We hope our performances there are a chance for people in the town and across the region to have a wonderful theatrical experience in the new auditorium."

The first SMC performance scheduled at the school is *Billy Goats Gruff*, a children's opera. Performances will be at 10:00 and 11:30 am on Saturday, July 9 and admission is free. "We're especially excited to be able to produce a free opera for children in this superb educational environment," says Kostecki.

A Broadway revue entitled *Lullaby of Broadway* will also be held in the new auditorium on Thursday and Friday, July 21 and 22 at 8 pm. Admission is \$25 for adults and \$15 for youth 12 and under. The revue will feature four Seagle Music Colony singers singing some of the most popular Broadway music of the last 60 years.

More information on these performances and the remainder of the 2011 Seagle Music Colony season can be found at www.seaglecolony.com or by calling 518-532-7875.
